Stadelhofer reports he approached by Soviet Ambassador Havana who stated Mikoyan planning one-day stopover New York on return Havana. Not departing prior November 10. Wishes bring five Soviet experts with him from Havana. They have ordinary passports. Queried whether Stadelhofer could ascertain if US would allow them enter.

Stadelhofer recognizes this not within Swiss Mandate but in view delicacy surrounding entire Cuban situation did not want to take formalistic position which might have disagreeable repercussions. If Department's response affirmative, Swiss will obtain names, passport numbers, other necessary information. Advise soonest.
